Dear Mr. Bolden. —

Will you send this man an invitation to the next general exhibition? He has heard of the Society & has asked me for details as to membership, & I told him that I would put the entire matter in your hands.

Yours very truly,

A. R. Fay

Mr. Hermann Gruenterger,
349 Logan Street,
Brooklyn, N. Y.

Dear Sir:-

Mr. A. R. Frey of Brooklyn has requested me to send you some information regarding membership in this Society, and I am sending you, under separate cover, a copy of the Constitution and By-Laws, which will probably give the information that you desire.

As you will notice the number of members, that can be elected is limited, and the limit at present is full. We can, however, elect an unlimited number of associate members who receive the Society's Journal and have all the privileges of full members except the right to vote at business meetings, and should you at any time care to become an associate member, it will give me great pleasure to present your name. I enclose herewith a card regarding associate membership.

I would be very glad to have you call at our building any time you might feel inclined to do so where we have many things of interest.

Very truly yours,

Secretary.
